New Funding Opportunity
Weston Family Microbiome Initiative
Proof of Principle 2020
Microbiome Mechanisms

Up to $200,000 over a maximum of 24 months

Funding for research that improves our understanding of the relationship between the microbiome and health towards future applications

ELIGIBILITY

Lead Applicant must be:

- At or above the level of assistant professor.
- At a CRA qualified institution located in Canada.

The Project must:

- Expand mechanistic understanding of the microbiome in influencing physiology, health and disease.
- Provide new insights that lead toward new or improved applications of the microbiome in improving health, including prevention, intervention and diagnosis.
- Applicants may submit one (1) proposal as a principal applicant to either stream.

PROGRAM FOCUS

Microbiome Mechanisms
